

Our impact in 2020

2020 challenged us in ways we never expected. But thanks to our dedicated donors, volunteers, staff, and partners, we conquered this year.

We met the increased need for food by...

- Opening a second location, our East York Emergency Food Hub
- Hosting weekly Drive-Thru Distributions, serving up to 2,500 households
 - Delivering emergency food to those in need
 - Holding Pop-Up Distributions throughout York County
 - Bringing our Mobile Pantry to communities across York

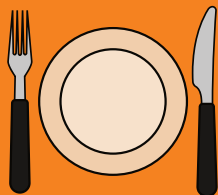

We distributed **6.5 million pounds of food**

Volunteers donated over **20,000 hrs** to our operations

We distributed **5.4 million meals**
