

Dear Prospective Food Industry Partner,

Thank you for your interest in partnering with the York County Food Bank to help fight hunger in York County. The attached flyer explains what it means to be a Food Industry Partner and highlights how your contribution will help individuals and families who are food insecure.

Currently, the Food Bank distributes more than 6.5 million pounds of food annually to our member partners who in turn distribute food to those in need. There are several types of membership categories i.e. pantries, soup kitchens, emergency shelters, and other supplemental programs that provide for individuals and families in our community.

We invite you to review the attached flyer and consider how becoming a Food Industry Partner can help you gain recognition for the impact you are making in your local community. There is also a free and flexible pick-up time and receipts for tax deductions. Your donations will reduce storage costs, waste and dumping fees and ultimately help a local family or individual with their next meal. We count on people like you to donate to the Food Bank, so together, we can end hunger.

If you are interested in becoming a Food Industry Partner, please contact us at (717) 846-6435 or [info@yorkfoodbank.org](mailto:info@yorkfoodbank.org). We also recommend visiting our website, [yorkfoodbank.org](http://yorkfoodbank.org), to learn more about our organization. If you should have further questions, please do not hesitate to contact us.

Best Regards,

Jennifer Brillhart, CEO

# Become a Food Industry Partner
