

Volunteer Shifts

Box Packing: Volunteers during this shift help to pack our dry good boxes that are distributed to our partner agencies and to our families and clients at our drive thru distributions. Packing is done using a manual assembly line and does include standing for periods of time and very light lifting. This shift is in a warehouse environment, flat closed toe shoes are a must.

Drive-Thru Distribution: Volunteers during this shift help to direct traffic and load the client's cars with approximately 100 lbs of food, including fresh produce, frozen meats, dairy, dry goods and household items. We currently serve between 500-600 families at each distribution. This shift is located at 2530 Cape Horn Road and is outdoors rain or shine, so please dress accordingly.

Senior Box Packing: Volunteers during this shift help to pack non perishable items for our Senior Box Program. Our Senior Box Program provides nutritious food to over 2,000 York County Seniors each month.

Packing is done using a manual assembly line and does include standing for periods of time and very light lifting.

Online Pantry and distribution: Volunteers during these shifts will help fulfill online orders, restock the shelves, and help to distribute the packed boxes at off site locations.

Partner Agency Volunteering: The York County Food Bank supports 80 partner agencies within York County. These partners include food pantries, community centers, schools, senior centers, soup kitchens and others. Our agencies rely heavily on volunteers to help with their distributions, deliveries, and warehouse needs. In addition to supporting our agencies with food and resources, we are also helping them with their volunteer needs. Volunteer shifts for our partner agencies are posted on our volunteer calendar along with our shifts for YCFB. Each shift posted will include our partner agency name, address, a brief description, as well as any specific directions.

Misc. Jobs - Sorting/Bagging/General Cleaning: Volunteers during this shift will help to sort food donations, bag loose items such as fresh fruits and vegetables, and/or provide general cleaning such as sweeping or any other light duty cleaning needed to maintain the
