

FIGHTING HUNGER. BUILDING HOPE.

Market

Princess Street

Help us support the record-high and ever-growing demand for food distribution & social service programs in York County through an impactful renovation project to expand our York City facility into a healthy-choice food pantry and holistic resource center.

The Staggering Reality of Hunger in York County

The number of individuals and families facing hunger across our community is alarming.

1 in 10 residents struggle with **food insecurity**.

Food pantry visits have **surged by 58%** since pre-pandemic times.

1 in 7 children will go to bed **hungry tonight**.

With your help, we can end hunger for more of our York County neighbors.

Space to Meet the Need

Through a much-needed upgrade to our facility at 254 West Princess Street, the York County Food Bank will enhance our ability to address immediate hunger needs while tackling root causes of food insecurity. Market @ Princess Street will be a transformative grocery store-like space combining dignified food access with connections to vital community resources.

Construction begins in Spring 2025, and with your support, doors open in Winter 2026.

Together, We Can Create a Hunger-Free York County

We're halfway to our bold \$3 million goal to bring Market @ Princess Street to life. Your gift will help open the doors to our revitalized and upgraded facility, bringing us closer to a hunger-free York County. Every contribution makes a difference. Give your gift today!

Hunger Free York
York County Food Bank

Market @ Princess Street

THE IMPACT:

Providing comprehensive access to nutritious food, support & community care resources, including:

- 🌿 **Dignified Access:** Neighbors can shop for culturally relevant and nutritious food in a modern, welcoming environment.
- 🌿 **Community Support:** More space for collaboration with other non-profit resources will create a “one-stop shop” for food assistance, housing, healthcare, and more.
- 🌿 **Expanded Services:** Our healthy choice food market will have extended hours, online grocery ordering, home deliveries, fresh produce, and refrigerated food lockers for flexible access.

NEW!
Refrigerated Food Lockers for Convenient Grocery Pickup

Your Gift Will Help Eliminate Hunger in York County

Join us in creating a space to address the challenges behind the hunger crisis in our community. Your support is essential to the well-being of York County's children, families, and seniors.
